

SUZUKI SVF 650 GLADIUS (2009)

SLIP-ON STREET LEGAL EXHAUST SYSTEM

Our sporty and lightweight SLIP-ON system offer a great balance between price and performance and represent the first step in the exhaust system tuning process. The change will also be visual as our HEXAGONAL muffler perfectly fit the exterior line of the Gladius and add a clean racing image.

The muffler outer sleeve is made of titanium or carbon-fiber, which gives a special hi-tech touch to our SLIP-ON system. We offer the street legal version with removable noise damper.
